

JERI YENNE

CRIMINAL DISTRICT ATTORNEY
BRAZORIA COUNTY

A Letter to the Citizens of Brazoria County

Many years ago, in 1976 when I moved to Brazoria County, I was impressed with its natural beauty, the beaches and the Gulf of Mexico, the farms and ranches and the oak trees.

I was also impressed with the variety of communities throughout this county each with their own unique character and charm.

I soon discovered that the greatest natural resource of Brazoria County was you, the people of Brazoria County.

Many years have passed, and our county has surely grown. However, one thing has remained the same. You the people of Brazoria County are still our greatest natural resource.

I want to thank you for allowing me the privilege of serving you for almost 32 years, first as an Assistant District Attorney and since 1999, as your Elected District Attorney. Being an elected official is a sacred trust.

Throughout the years as District Attorney, I have worked to ensure that justice is done, crime victims are protected, the public is safe, and that no innocent person is convicted of a crime.

The time has now come for me to pass this responsibility to someone else.

I am resigning my position as District Attorney of Brazoria County and my last day will be September 30, 2020.

To the men and women of law enforcement in Brazoria County, I want to thank you for risking your lives to protect us day and night. You have my utmost respect and admiration.

I want to thank my staff in the District Attorneys office both present and past who have dedicated many years of their lives to protect society.

For many years the citizens of Brazoria County have been fortunate to be served by Judges from District Courts, County Courts at Law, Justice of the Peace Courts, Commissioners Courts and County Judges who have set aside their own personal differences to do what is best for the citizens of this county.

It has been rewarding to work with and alongside them for the good of Brazoria County.

COUNTY COURTHOUSE, 111 E. LOCUST, SUITE 408A, ANGLETON, TEXAS 77515

Finally, and most importantly I would like to thank the Lord God Almighty without whose guidance I could not have served you.

As I leave you, I ask that in the future you insist that your elected officials of all parties continue to set aside their differences and work for the common good because you deserve it.

May God Bless you and your families.

Sincerely,

Jeri Yenne
