Additional Information

If your request is made properly and a Driving Safety Course Disposition is granted by the court, your Court Order will indicate you have 90 days to take your Texas state approved course and remit the required documentation, including the course completion certificate and certified driving record, to the court. The Driving Safety Course Completion Certificate must list this court on the face of the certificate; if another court is listed, the court will not accept the certificate, and you will have to get it corrected. Your certified driving record may be obtained from the Texas Department of Public Safety (TxDPS); a \$10.00 fee must be paid to TxDPS along with your request for the record either by mail or online at <http://dps.texas.gov/DriverLicense/driverrecords.htm>.

You may take the required course by any provider of your choice (internet course, comedy club, etc.), as long as the course is Texas state approved. Any course that is not Texas State approved will not meet the requirements for a dismissal.
